in the United Counties of Prescott and Russell**

BACKGROUND

WHEREAS the *Education Act*, R.S.O. 1990, c. E.2, as amended or a successor statute (hereinafter the "Act") authorizes a district school board to pass by-laws for the imposition of education development charges against land undergoing residential and non-residential development in the area of jurisdiction of the board where residential development in such area would increase education land costs;

AND WHEREAS the Conseil des écoles publiques de l'Est de l'Ontario (hereinafter the "Board") has determined that there is residential development in the United Counties of Prescott-Russell that will increase education land costs;

AND WHEREAS the Board has referred its estimates of the total number of new elementary and secondary pupils and its estimates of the number of elementary and secondary school sites used to determine the net education land costs to the Minister of Education for approval, and such estimates have been approved by the Minister of Education.

AND WHEREAS the Board has complied with the conditions prescribed by section 10 of Ontario Regulation 20/98;

AND WHEREAS the Board has conducted a review of its education development charge policies, completed an education development charge background study for the United Counties of Prescott-Russell, given notice, and held public meetings on May 27, 2019, in accordance with section 257.60 and section 257.63 of the Act;

AND WHEREAS the Board has heard all persons who applied to be heard during the public meeting and who made representations relating to the proposed by-law;

AND WHEREAS the Board at its meeting of June 25, 2019, directed that education development charges be imposed on land undergoing residential development or redevelopment within the geographical limits of the United Counties of Prescott and Russell, as hereinafter provided;
